SIR;

I have the honor to report that to meet the demands for hutting materials at Chitaldrug where plague has broken out, the Deputy Commissioner has arranged to get the required quantity of materials from Channagiri as they could not be procured from the forests in Chitaldrug Dist. The necessarily heavy item of cart-hire, for the distance of 40 miles, enhances the cost price of the materials to such an extent as to be prohibitive in the case of official drawing a pay of Rs. 25/- and under per mensem. According to Government Order No. 206 Sany. 184-05-2 dated the 8th March 1906 officials drawing a pay of Rs. 10/- and under per mensem can have materials supplied to them gratis. The Deputy Commissioner recommends that in order to facilitate the purchase of the required shed materials by officials drawing Rs. 25/- and under but above Rs. 10/- materials may be issued at half cost price, as a special case during the present emergency. I am of opinion that the concession ought to be granted and request that you
